So as discussed see the request for briefing papers below with a sample fact sheet included.

Garth will work on the talking points/background from the legal perspective on whatsapp and that can be added to what Lisa has already done (by Wed)

Bill is going to work on the Shellfish bed closure issue.

Lisa will work with Gina to provide a couple of points on the Riparian RFP.

Thank you all,

Peter

Subject: House Ag Hearing - Request for Briefing Papers

This is a request for the preparation of 3 briefing papers by January 6. The Administrator is scheduled to appear before the House Agriculture committee on Tues, Jan 26, to discuss EPA programs and regulations impacting agriculture. The national program offices are preparing most papers (listed below), and the regions are adding papers about regional issues that their members might bring up. For R10, we have 2 representatives and think that 3 topics might be raised:

Rep. DelBene—Puget Sound shellfish bed closures

Rep. Newhouse—WA WQS; Yakima groundwater and court cases

Attached is a sample fact sheet in the requested format: talking points, background, and expected Q and A. The connection with the member should be included, and I can help with that.

Kendra is checking for existing papers on WA WQS and shellfish and will send what she finds. The papers are due in the Administrator's briefing book on January 12; the January 6 date allows final review time here and at OCIR.

Thanks in advance for your help!
